## ABOUT ALREHAB HERBS

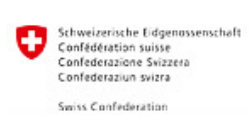

Alrehab Herbs is a leading supplier of conventional and organic herbs in Egypt. It has been in herbal business since 1996.

Alrehab Herbs products have been harvested from best in class 50 hectare farms that placed in the most purity city in Egypt “Fayoum”. This city is the main source for medical and aromatic herbs in Egypt –around 80% of Egypt production- because of its pure atmosphere and unique weather.

Alrehab Herbs has a highly qualified team of sales & technicians who have long outstanding experience, which has brought us to a very competitive position in the local and international markets.

We started as a supplier for local market and we have been doing business with most famous companies in Egypt like SEKEM and ROYAL. Our products have been exported to Europe through different export companies.

Alrehab Herbs Company is a member of UNIDO and EMAP Egypt.

## VISION

To be the leading herbs and seeds supplier in Egypt by invading worldwide markets with best quality products with competitive prices.

## MISSION

To be the principal source of herbs and seeds in Egypt. It would be accomplished by developing our technologies to extend and reinforce our competitive market position, in order to gain and sustain our clients' loyalty and satisfaction.

## OBJECTIVES

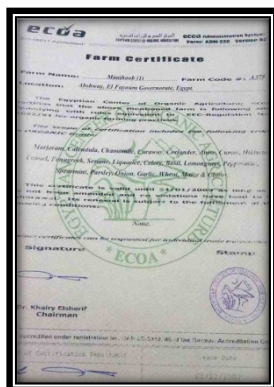

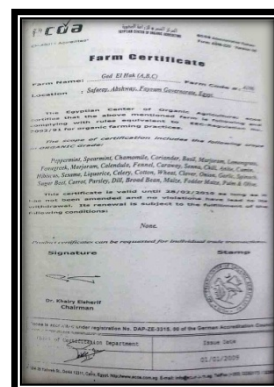

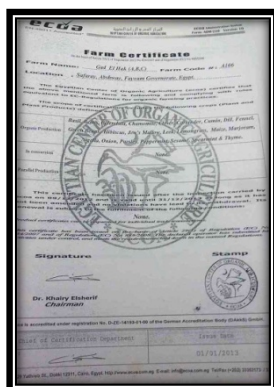

- Continuous improvement through quality and competitive pricing, thus opening up new customers and markets
- Constantly maintaining the loyalty of our customers towards our company and products
- Following up the needs and wants of our customers, in a sustainable way to improve our products and fulfill market requirements
- Conducting research & development activities in a regularly bases to adapt new trends and technologies in the field of medical and aromatic herbs

## COMPANY STRUCTURE

1. Headquarter
2. Agencies (UAE and Malaysia )
3. Farms- more than 50 hectare
4. Herbs Processing House
5. Packaging House

## CERTIFICATES
